## DEFINITION: A party is 11 or more non-member guests.

1. You must be a Member / Renter in good standing to book a party.
2. Party fees are: \$50 for up to 25 people. \$100 for 26-40 people. There is a limit of forty (40) people per party – this includes members and direct family. This number reflects the total number of people allowed (not at any given time/people coming and going). Participants of the party will be given wristbands and once the maximum number approved by the board is reached, no more people will be allowed in.
3. All parties must get board approval before booking.
  - a. If you feel there is a possibility of more than 25 people, it is advisable to receive prior board approval for a larger party to avoid any issues the day of your party.
  - b. Requested dates may be placed on hold with staff while seeking board approval.
4. Party Reservation Forms / Requests must be filled out at least two (2) weeks prior to the party date. Please email the reservation form and the signed party regulations to [lpabeach1@gmail.com](mailto:lpabeach1@gmail.com) for approval.
5. Parties must be held in the picnic area and end by 9:00 pm.
6. **No parties are allowed before Memorial Day or after Labor Day** or on any holiday or holiday weekend. Only one party can be ongoing at any given time on Fridays, Saturdays, and Sundays: **No overlap, no exceptions.**
7. You must be twenty-one (21) years of age and a member to schedule a party. If a party is scheduled for a minor, there must be an adult beach member / parent present at all times. The drinking law will be strictly enforced on our premises.
8. The beach facility is for private use only. No commercial groups may use the beach; i.e. swim clubs, parties that charge a “cover charge”, nursery schools, day care groups or any club or organizations that charge a fee to use our facilities as part of their activities. Parties are to be hosted by the member, not a guest hosting the party with a member attending.
9. The member hosting may fill one standard ice chest with ice from the ice machine in the Beach Garage.
10. All parties are required to make a \$500 deposit repayable upon the beach being cleaned up, returned to order, and no rules violated.

I have reviewed and agree to the party regulations. I understand that failure on any part to comply with these regulations could result in the loss of guest privileges, being allowed to host parties at the beach, and my deposit.
